For “strictly” glatt kosher catering, consensus calls this firm “the absolute best” at providing “interesting ideas” and food so “fine” you may not “believe that it’s kosher”; it’s considered “reliable” for events of “any size”, from personal gatherings to large-scale dos at the Waldorf-Astoria or the United Nations, and boasts a “top-shelf staff” so “attentive” it’s “like having your mother plan the party – without the baggage.”
